

Building Successful Teams

The Role of the Team Leader

Course length: 1 day

Teams are an important feature of working life and, in most organisations, success depends on great teamwork. New team leaders are often asked to take on additional responsibilities and this masterclass will focus on this transition from team player to team leader.

How can it help?

- Clarify the role of the team leader
- Highlight the day to day responsibilities
- Identify your leadership style
- Communicate more effectively with your team
- Acquire techniques when working with team members

Programme outline

This one day practical masterclass will focus on the the roles and responsibilities of the team leader. It will introduce different leadership styles and help to identify the skills and qualities that are an important feature of the team leader role. It will explore techniques to encourage communication between you and your team; providing you with a forum to discuss any issues or challenges.

Content will include:

The role of the team leader

- What does the team leader do?
- What are the roles and responsibilities of the team leader?
- Leadership styles

Getting the most from your team

- Building your team
- How teams work
- High performing teams
- Communicating effectively with team members

Developing your leadership role

- Identifying your own strengths
- Your development plan

Who should attend?

This masterclass is suitable for organisations who employ team leaders or individuals who feel that the team leader role can be crucial to their development.

Training at RTC

People are the lifeblood of any organisation. At RTC, we recognise the importance of the human dimension in the innovation process and aim to inspire people, raise skills and encourage positive attitudes towards new technology and business.
