

Unleash Your Passion for STEM and Make a Difference in Yorkshire & Humber!

At RTC North, we go beyond simply supporting businesses; we actively encourage and cultivate the seeds of scientific and technological advancement. We partner with educational institutions, industry leaders, and community organisations to create inspiring initiatives, engaging programs, and valuable resources that spark curiosity and propel young people towards fulfilling careers in STEM fields.

Joining Our Mission:

We're currently seeking a dedicated and experienced individual with a strong background in STEM education to join our team. Whether you're an ex-teacher, a seasoned STEM outreach professional, or actively involved in widening participation efforts, your expertise and passion will be instrumental in shaping the future of innovation in the North. RTC North is seeking a dynamic and passionate STEM Outreach Officer to join our vibrant team. This exciting role offers you the chance to play a pivotal part in inspiring future generations and shaping the region's STEM landscape.

Your Responsibilities:

Champion the STEM Ambassador programme:

- Partner with schools to achieve regional targets for programme engagement.
- Organise engaging events and workshops, ensuring diverse representation among participants.
- Recruit and manage a network of active STEM Ambassadors, fostering their volunteer hours.

Bridge the gap between STEM and the real world:

- Collaborate with regional businesses and organisations to showcase the relevance of STEM in diverse careers.
- Raise awareness of the STEM agenda through presentations, meetings, and online platforms.
- Attend stakeholder meetings and contribute to regional initiatives like STEM Fest Y&H.

Contribute to ESERO's mission:

- Support the delivery of space-related activities linked to the SADP contract.
- Partner with the Space Cluster to achieve project targets and expand reach.
- Recruit new Space Inspirations Ambassadors and contribute to project meetings.

Who You Are:

- A passionate advocate for STEM education with excellent communication and interpersonal skills.
- A resourceful and organised individual with proven experience in event planning and stakeholder engagement.
- A confident presenter with the ability to connect with diverse audiences, both online and in person.
- A strong team player with a collaborative spirit and a commitment to achieving shared goals.

Beyond the responsibilities, you will experience:

- A diverse and supportive work environment where every voice is heard and every contribution matters.
- Opportunities for professional development, with up to 12 days dedicated to learning and growth.
- A flexible work arrangement that allows you to find the balance that works best for you.
- Competitive compensation and benefits, including a salary between £28,000 - £37,000, profit share, generous pension, and more.

Ready to be part of an exciting journey? Apply today and join us at RTC!

To apply email your CV and covering letter which includes your current salary and benefits package to Marc.Bradley@rtcnorth.co.uk

At RTC we're looking for genuinely good people who are transparent and empathetic, organised but can easily adapt to change, and are good team players. We're committed to providing equal opportunities, a diverse and inclusive work environment, and ensuring a fair interview process for everyone. You're welcome to apply no matter your age, disability, race/ethnicity, national origin, gender identity, marriage or civil partnership status, pregnancy and maternity/paternity situation, religion or belief/non-belief, sex or sexual orientation.
